Draft beer
This beer "The Premium Malts" will promise you to have a rich taste and good time.
This beer won the glory award of beer for two successive years.

CHU-HI Red
It was born at the downtown in Kyoto in the old days, and now well-known as a drink good for Okonomiyaki.
The sweetness, which is of the port wine, is mild.

CHU-HI Fresh Lime
Half of a ripe lime is in this Chu-hi, but it's reasonable. citrus fresh flavor brings you a pleasant dinner. This is a good price Chu-hi. we recommend.

CHU-HI Shecwasar
Shecwasar is a wild orange in Okinawa and it was picked up in a very popular TV program AruAru-Daijiten. Shecwasar juice is a healthy drink, good for diabetes, arteriosclerosis and high blood pressure. We made a beautiful CHU-HI from shecwasar.

CHU-HI powdered Green tea
Green tea from "Gion Tsujiri", long-established and popular green tea shop in Kyoto, is used generously to fulfill your desire. Many women love the deep sweetness of this drink.

UME - Liqueur
Alkaline plum wine is good for your health and beauty. We offer you different ways to drink (rock, with soda, water, and hot water)

SHO-CHU of Barley Wanko
Because of the mellowness of the unprocessed sake, this SHO-CHU has realized the pleasant-smelling and mildness.

SHO - CHU of Sweet potato KUROMARU
This SHO-CHU, made of the sweet potato, Kogane-Sengan, is very mild and smells fresh. It is from Kagoshima's famous brewery "Hamada Shuzo"

Glass Wine, Red / White
The high quality, low-priced wine which was imported with a container of the constant temperature by France.

Gekkeikan
GEKKEIKAN is the sake that is produced in Fushimi, Kyoto, and has natural aroma and mild taste. Good match with Okonomiyaki and Hot plate menu
